Newsletter

Volume 12, Issue 1

WHITE SANDS IS GOING GREEN!

In an effort to reduce our ecological footprint and do our part to help save our planet, the White Sands Civic Association, Inc. is taking steps to reduce paper use and waste by digitizing our newsletter. What does this mean for you? Well, this will be the last newsletter mailed to your home unless you request one.

Beginning in February, we will produce a single page monthly newsletter to update you on important happenings within the community. This newsletter will be posted on our website and emailed to anyone requesting a digital copy and providing us with their email address. Print copies will be provided to individuals without computer access or email at their request only. By making this small change, we can reduce the amount of paper and ink we consume each quarter, and reduce unwanted papers clogging up your mailbox. If you would like to receive the newsletter by email, please log on to our website at www.wscainc.com and scroll to the bottom of our home page. There you will find a form allowing you to request digital copies of the newsletter. Right next to that form is a form requesting that we continue to mail you our newsletter each month. If you do not have internet access and would still like a copy of the newsletter mailed to you, please call the office at 410-586-8201 and ask to be put on the newsletter mailing list. Let's all do our part to help the environment and reduce waste!
